Economic Development & Tourism Strategy Survey

The Colac Otway Shire's Economic Development & Tourism department is conducting a survey to gather information from businesses to assist in the development of the Economic Development & Tourism Strategy 2018-2022.

It is very important that we are able to gather this feedback, because our local business people are best placed to identify gaps and opportunities in our current market.

Please visit <https://www.surveymonkey.com/r/EDStrategy2018> to complete the survey.

Survey closes Thursday, May 31

**Acting Chief Executive Officer
Robert Dobrzynski**
