# Expression of Interest to Host 2019 Colac Otway Shire Australia Day Celebrations

## Background

On Australia Day 26 January, the Colac Otway Shire holds an official Australia Day event within the shire.

Community groups wishing to host the official celebrations in their town or community are invited to apply through the Expression of Interest (EOI) to host Australia Day process.

The Australia Day celebrations provide the host township with a unique opportunity to showcase local community venues, artists and performers to a diverse range of residents and visitors. It also develops partnerships and connections within the local and broader community.

The Expression of Interest process is designed to support community groups in initially planning and bidding for the event. The successful application is required to further complete Council's events approval process which specifically addresses risk management and compliance issues relevant to the event.

Colac Otway groups that have the passion and drive to plan, organise and execute this event, in partnership with the Colac Otway Shire events team, are encouraged to apply to host the celebrations.

**Expressions of Interest to host the official 2019 Australia Day celebrations are to be submitted by 5pm Friday 30 March 2018 to:**

Mr Tony McGann, Acting Chief Executive  
Officer Colac Otway Shire  
PO Box 283

## Australia Day Components

Formal Australia Day activities for the Colac Otway Shire are coordinated by the Victorian Australia Day Committee which is part of the Department of Premier and Cabinet and supported by the Government of Victoria.

The Colac Otway Shire Council support Australia Day celebrations at a local level. On Australia Day we welcome new citizens to our community and acknowledge through the Australia Day Awards; outstanding members and groups in our community that inspire us through their efforts and make us proud to be Australian. We work with a variety of local community groups and clubs to deliver celebrations that are relevant and enjoyable to the whole community; with a view to promote diversity, harmony, social cohesion and respect for our fellow human beings.

Official Colac Otway Shire Australia Day celebrations include an official component comprising; a flag raising ceremony, Australian national anthem, official speeches, citizenship ceremony and the presentation of the Australia Day awards. The official elements are planned and implemented by the Colac Otway Shire events team.

The host community is encouraged to develop other celebratory activities around the general Australia Day concepts. Host towns are encouraged to be as innovative and imaginative as they wish in coming up with new ideas and approaches to create memorable activities that attract a diverse audience. While Council does not actively seek sponsorship for the official component of the day, it is supportive of community groups wishing to seek sponsorship or in-kind contribution to deliver additional activities on the day.

Over the past three years, the Colac Otway Shire has allocated a total budget of \$11,600 each year for the delivery of the Australia Day event. This budget has covered all aspects of the event; including the Australia Day Awards, additional infrastructure, free community transport, stage and sound, advertising and community activities. It should be noted that Council's contribution is subject to budget approval however this guide provides an indication of the level of funding provided to this event.
