

Road name history

This form should be uploaded with your plan of subdivision. One form should be used per road name.

Any name proposal must comply with current [Guidelines for Geographic Names 2010 Version 2](http://www.dtpli.vic.gov.au/namingplaces) at <http://www.dtpli.vic.gov.au/namingplaces> > Guidelines for naming or proposing to name or rename a place.

Providing detailed historical information will assist the approval process. When the Office of Geographic Names audits the plan of subdivision, the information provided will help ensure that the name is appropriate, complies with the guidelines and the history behind it can be recorded online.

Please provide the following information when submitting a road name proposal	
Road name and number (e.g. <i>Smiths Road, Road 1, R1</i>) (e.g. <i>Whites Close Common Property, CM1</i>)	
Location of road/Plan of subdivision number (e.g. <i>Smiths Road located between Bulgar Avenue and Swiss Court</i>) / (PS4176)	
Focussing on Principle 1(G) Linking the name to the place please explain how the proposal fulfils this principle (Further information around recording the source of the road name origin can be obtained from the Guide to VICNAMES at www.dtpli.vic.gov.au/namingplaces > VICNAMES.)
