To receive a hard copy of the project update,
or to arrange a meeting with a team member,
please call 5232 9400 or email inq@colacotway.vic.gov.au

The Colac Otway Shire City Deal Project Team together with design consultants are providing an online project update for the Kennett River Tourism Infrastructure Improvements.

Over the past few years, the local community has worked hard to bring this project to realisation. The Australian Government has provided \$1.9 million in funding for this project. *This project is being delivered as part of the Geelong City Deal, a collaborative project to transform Geelong and the Great Ocean Road by the Australian, Victorian, local government and DELWP.*

This online community engagement is designed to bring the community up to date with the latest project information. Visual representations will be available online, along with an opportunity to chat with the project team and designers.

To find out more about the project and to register your interest, head to our website:
