

EVENT PERMIT APPLICATION FORM

Submitting this application for an Event Permit is the first step in applying for a permit to stage your event in the Colac Otway Shire. Please answer all the questions in this Event Permit application form before you lodge your Events Permit application.

Once your Events Permit application has been received an Events Officer will be assigned to your event and provide you with an assessment as to what documents or plans are required and what other permits may be applicable to your event.

After the Event Planning documents are received and signed off by the relevant departments or agencies and all other relevant permits are issued then a Colac Otway Shire Events Permit will be issued.

Please allow a minimum of 8 weeks for your event application form to be processed. Large to major events may require a minimum 12 – 18 month planning period.

NOTE: Applying for an event does not give the Event Organiser immediate approval to market or advertise the event.
