- **PURPLE** (glass-only) bin will be collected every four weeks on your usual collection day. Refer to the **G** week for collection dates.
- Glass bottles and jars go in the **PURPLE** bin. Please place metal lids in the **YELLOW** recycle bin.

### Waste Tips:

- Download the **GoodSort App** from the **Apple & Google App Stores**.
- Place your food scraps in the **GREEN** organics bin.
- Keep your **RECYCLING** and **GLASS** bottles & jars loose, don't bag it.
- Soft plastics go in the **RED** landfill bin, or recycle via supermarkets.

### Reasons your bin might not get collected:

#### Contains incorrect material

- Eg. Household garbage in recycling or organics bin.

#### Bin was placed out after collection

- Bins are required to be placed out the **night before** collection as per the Council's Local Laws No 2.

#### Overfilled bins

- Bin should be no heavier than **80kg** – if you have trouble moving it, trucks have trouble lifting it.
- Cause spillage on the roadway.
- Open bins attract birds and vermin.
- Open bins become overweight due to water entry.

**Do not place extra items next to the bin as these cannot and will not be collected. Please take extra items to the transfer stations.**

- **G** Glass Collection – Place **PURPLE** (glass) bin out with **YELLOW** (recycling) bin.

**EXTRA COLLECTIONS** – Place **GREEN** (organics) and **YELLOW** (recycling) bins out. **Extra Organics** collection start **Mon 17 Oct** through to **Fri 18 Nov**. **Extra Recycling** collection from **Mon 19 Dec** through to **Fri 20 Jan**.

- **O** Collection on these days will be carried out on the day following their normal collection.
