- **PURPLE** (glass-only) bin will be collected every four weeks on your usual collection day. Refer to the **G** week for collection dates.
- Glass bottles and jars go in the **PURPLE** bin. Please place metal lids in the **YELLOW** recycle bin.

Waste Tips:

- Download the **GoodSort App** from the **Apple & Google App Stores**.
- Place your food scraps in the **GREEN** organics bin.
- Keep your **RECYCLING** and **GLASS** bottles & jars loose, don't bag it.
- Soft plastics go in the **RED** landfill bin, or recycle via supermarkets.

Reasons your bin might not get collected:

Contains incorrect material

- Eg. Household garbage in recycling or organics bin.

Bin was placed out after collection

- Bins are required to be placed out the **night before** collection as per the Council's Local Laws No 2.

Overfilled bins

- Bin should be no heavier than **80kg** – if you have trouble moving it, trucks have trouble lifting it.
- Cause spillage on the roadway.
- Open bins attract birds and vermin.
- Open bins become overweight due to water entry.

Do not place extra items next to the bin as these cannot and will not be collected. Please take extra items to the transfer stations.

- G Glass Collection – Place **PURPLE** (glass) bin out with **YELLOW** (recycling) bin.

EXTRA COLLECTIONS – Place **GREEN** (organics) and **YELLOW** (recycling) bins out. **Extra Organics** collection start **Mon 17 Oct** through to **Fri 18 Nov**. **Extra Recycling** collection from **Mon 19 Dec** through to **Fri 20 Jan**.

- Collection on these days will be carried out on the day following their normal collection.
