

# LIFE AFTER FARMING IN COLAC OTWAY

Farmers, are you thinking about retirement, already made the move or not sure what to think about it all?

Retired farmers are you happy to lend a friendly ear, chat about your transition from farming to retirement and be a link to help others?

**The Life After Farming project is hosting a series of morning tea sessions around the shire to talk about retirement and what you're going to do next.**

**Come and join us for a cuppa and a chat at the Alvie Football Club rooms, Tuesday 3rd August 10am.**

For more information or to get involved please contact
