## Road Resealing Program

Colac Otway Shire Council advise that as part of the Road Resealing Program, contractors will carry out construction works for the replacement of asphalt pavement at Bromfield Street between Gellibrand and Hesse Street, Colac.

The existing pavement will be removed and replaced with new asphalt pavement. The extent of the works will be from the central parking to the lip of the kerb and gutter on both sides/lanes.

Construction works will be overnight and is scheduled to begin on Thursday 5 March at 7pm and finished on the next day, Friday 6 March at 8am.

A total road closure will be in effect at the site for duration of the works, and load limits may be imposed for a short period after the roads are re-opened.

Road users are asked to take care and observe any road signs in place. Council thanks you for your patience while these important works are undertaken.

For further information, or if you have any queries, please contact Council on (03) 5232 9400.
