## National Volunteers Week

**This week we celebrate and thank all of the fabulous volunteers at Colac Otway Shire Council who support our community and all the groups throughout the shire who give their time to improve the lives of others.**

Norma Copeland is one of our wonderful volunteers at Colac Otway Shire Council, delivering meals on wheels in the community. Her parents started volunteering in 1980, when they moved the family to Colac from Wyelangta near Laver's Hill.

When her father passed away, she gave her mum a hand and has continued to volunteer with her own children and remembers when the meals were delivered by bus on Saturdays and all the kids would come along and run the meals into the homes as well. She now helps out every second Monday with her sister.

*"It's nice to have a chat with the people we're delivering meals to and know someone is checking on them each day," said Norma. "They all like the meals - there's a main meal, a vegetable dish, a soup, a dessert and a fruit puree. They're delivered cold to be heated up when ready."*

*"It's also a safety check and sometimes we've found people who have had falls and need more help than a hot meal," said Norma. "When you go home at the end of the day, you feel really good that you've done something to help."*

If you'd like to become a volunteer, or know someone who might like to, there's information on our website about how to become involved, please visit Council's website for more information.

## Event Planning Workshops

**Join Rachella Thomas, owner of award-winning event agency, Event Kit, and e-commerce store, Event Planning Templates, as you learn how to setup your event the right way to ensure it is a success!**

In this two-part series, Rachella will provide advice and guidance to help you make an enjoyable event that runs as smoothly, as it is safe. It doesn't matter how big or small your event is, or how much experience you have in event planning, you can create a great event with the right tips, tools and resources.
