Keep Colac Otway Safe

The Victorian Government is providing Victorians with more advice on how they can protect themselves and their families this winter with the state experiencing a new COVID wave.

To protect yourself and others, all Victorians are now strongly encouraged to wear a mask when with other people indoors and when you cannot physically distance, including outdoors.

You must still wear a mask on public transport, in rideshares and taxis, on planes and when visiting sensitive settings such as hospitals and care facilities.

For information on staying safe this winter, visit www.coronavirus.vic.gov.au/how-we-live
