UNDERWRITING GUIDELINES

- The intention of the Scheme is to cover uninsured hirers. Councils should obtain proof that hirers have their own Public Liability insurance in place to protect the public and Councils' vicarious liability. If hirers cannot provide the proof via Certificate of Currency from their insurers, as per the agreement with them, Council can offer this facility.
- Indemnity is only provided to the hirer of the facility. Indemnity is not provided to any other participants/performers/contractors that may be involved in the hire activity (e.g: A band engaged for a wedding reception). Hirers should ensure these other parties have in place their own Public Liability insurance.
- Hires that will involve attendance of more than 1,000 are not automatically covered. Coverage may be able to be obtained upon referral to your JLT Account Manager. These may be subject to an additional premium as determined by the insurer.
- The hire activity is limited to a maximum period of five (5) consecutive days. Coverage for longer periods may be available and should be referred to your JLT Account Manager. An additional premium may be required by the insurer for longer periods.
- Coverage is offered to hirers only where a hiring agreement is in place, however there is no requirement that a hiring fee is to be charged. It should be clear from the hiring agreement or Council documentation that the hirer has no other insurance in place and that cover is required under the hirers policy.
- There is no coverage available where the hire is part of a festival/event. The event organiser should be required to effect their own insurance. They may be able to access coverage via the Community Insurance web site.
- There is no coverage available to commercial entities that hire the facility and charge admission or derive monetary gain from the actual hire activity. There is no problem in covering commercial entities for hire activities where there is no monetary gain derived from the actual hire activity. There is also no problem in covering Not For Profit (NFP) entities who may charge for fund raising purposes.
- There is no coverage for rock concerts.
- Hirers should be made aware of the policy exclusions as stated in this summary and the actual policy document.
- If in any doubt as to whether a hirer or the hire activity can be covered under the policy, please refer such questions to your JLT Account Manager for advice. It may be possible to effect separate insurance for some of the excluded risks either as a one off placement or under an annual policy.
