

Permit Conditions to Advertise/Display/ Locate Items on the Footpath/Road Reserve

Local Law No 1 - Part 10, Section 10.1

Permit Item Conditions

Only one A-Frame advertising board to be placed out the front of each premises.

Permit Items must not obstruct thoroughfare or access and must be positioned in accordance with Diagrams 1, 2, 3 and 4. The A-Frame advertising sign is to be fabricated from sound material and kept in a good state of repair.

A-Frame

sign must not exceed 1.2 metres by 0.7 metres.

Adequate clearance is provided to allow people to alight from vehicles to gain:

- Access to the footpath.
- Access to service authority pits.

Signs and goods may only be displayed during the normal business hours of the permit holder, and only in front of the associated premises or the arcade in which the premises is located.

The quantity of permit items that may be displayed must be contained within an area no greater than 75% of the total length of premise frontage.

Permit items shall have no moving or flashing parts and must be braced to withstand windy conditions. Permit Items must be constructed of sturdy and durable materials, be maintained in a clean condition and be aesthetic to the overall facility.

Permitted Items shall only be placed in an approved location.

Permit Items shall be of a style and standard approved by the Council or its authorised Officers.

Items Prohibited

The placement of permit items on the following areas is not permitted:

- on a road and within 2.0 metres of the property boundary.
- Within 0.6 metres of the back of the kerb adjacent to a parking lane.
- Over any footpath or road where the resulting vertical clearance is less than 2.2 metres.
- On any vehicle parked or left standing on a road.

Permits Renewal Requirements

Applications for permits will be considered in accordance with Diagrams 1, 2, 3 and 4.

The permit only allows for up to a specified number of permit items. If the permit holder wishes to increase this number within the conditions limits, an application in writing to Council is necessary. If the application is approved a new permit will be issued.

The permit holder may apply for a renewal of the permit providing the application meets the condition requirements.

Public Liability

Were Council insurance has not been accepted a Certificate of Currency must have a cover of at least \$20 million and must note Colac Otway Shire as an interested party.

Satisfactory evidence showing public liability insurance cover in the form of a certificate of Currency must be provided.

Permit Holders Responsibilities

The permit holder will be responsible for:

- The conduct of patrons at the tables and chairs.
- Ensuring that patrons do not re-arrange Permit Items.
- The permit items must only be located during the normal business hours of the permit holder, and in front of the associated premises.
- Maintenance of all required clearances.
- The cleanliness of the occupied area and its immediate surrounds.
- The maintenance of permit items and any other approved items.
- Security for all furniture whilst located on the footpath.

General Comments

Permit Items include but are not limited to the following items:

- A-Frames
- Tables and Chairs
- Umbrellas
- Planters Boxes
- Display Racks/Goods
- Screens
- Vehicles/Machinery

Council or its authorised officers reserve the right to revoke any permit at any time and require removal of the sign or any permit items.

A permit is not transferable to another business or premises.

A site will normally only be considered if the area is paved.

Any Consumption/serving of Liquor at the tables on the tables on the footpath must be to the approval of Liquor Licensing Victoria. The Council will neither condone nor accept any responsibility for breaches of the Liquor Control Act.

Screens must be positioned strictly in accordance with the approved plan or as directed by the appropriate Council officer at all times.

The location of Permit Items shall not, in the opinion of Council's Authorised Officers, be or create a danger to the public.

The removal at the request of the appropriate Council officer or any responsible service authority of any permit items but not limited to screens, fixtures, planter pots, for any maintenance requirements is to be adhered to.

Upon request from an Authorised officer, the permit holder must provide evidence of the permit which has been issued.
