BMX Jumps

Colac Otway Shire is urging parents and bike riders of all ages to understand the safety risks of building bike jumps on public land and Council's obligation to remove them if built without authorisation on Council land.

Colac Otway's parks and public spaces are designed and maintained by Council with our community's safety and enjoyment as a priority.

Council understands bike jumps might seem like harmless fun - and it's fine if people are building them in their backyard or farm - however Council is obligated to level the ground and remove these 'home-made' jumps on Council land to prevent risk to the community.

Thank you Colac Otway community.
