

## Keep Colac Otway Safe

**Colac Otway, Mayor Kate Hanson has urged the community to get vaccinated to protect themselves and others from coronavirus.**

"We're all well aware the coronavirus isn't going away and the best defence we have is to get the COVID-19 vaccination," Cr Hanson said.

"Thanks to each person in Colac Otway who has already stepped up and got vaccinated. Over 80% of people in the shire have received their first dose, we need to continue increase that number to reduce the risk of pressure on

our health services and staff - they do amazing work every day, and particularly through the COVID-19 pandemic.

"By rolling up your sleeve to get vaccinated, you're helping to protect yourself, your friends, family and your community.

"A positive case in our community also reminds us not to be complacent when it comes to being COVID-Safe. Keep following directions from the State Government, check in everywhere you go, wear your mask and maintain good hand hygiene.

"We can do our best to slow the spread of the virus by getting tested if we have symptoms - no matter how mild, remaining COVID-Safe and getting vaccinated."
