Anzac Day

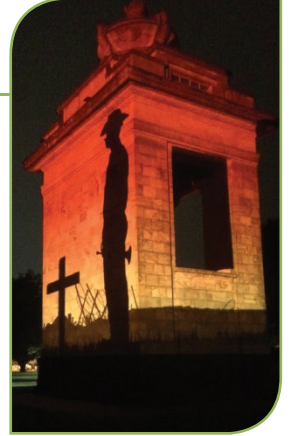

On Monday 25 April we, along with Australians around the country, will gather to remember the service men and women who answered the call to serve our country in the First World War.

Anzac Day has grown to become one of the most important national days to recognise the contribution of men and women defending our nation in war, and peace keeping across the globe.

On Anzac Day we do not celebrate or glorify war - we celebrate the Anzac spirit and our goal for a peaceful world.

For information on services taking place across Colac Otway Shire please visit the Upcoming Events page on Council's website.

Waste Collection Services

Please note, there is no change to kerbside waste collection services due to the public holiday for Anzac Day on Monday 25 April. Please place bins out as normal.

Not sure which bin goes out this week? Download Council's Good Sort App for a handy reminder on bin night with a guide to what bins will be collected along with waste calendar notifications and service changes or delays.

Not sure what waste goes in which bin? The App provides a handy list of waste materials and what's accepted in your household waste and recycling bins.

Download the Good Sort App from your App store (or visit Council's website for links), add your address and receive notifications to remind you what bin goes out when.

A friendly reminder to residents that kerbside bins need to be returned to your property after every collection, as per our General Local Laws (waste management section), thank you.
