## Elliminyt Wetlands Project - Community engagement

**Colac Otway Shire Council has identified the Elliminyt Wetlands Project as a key infrastructure investment needed to facilitate residential land provision in the Elliminyt area. The project outcomes will manage, control and improve the quality of storm water in the Elliminyt catchment.**

The site is located on Irwillipe Road between Hart, Ballagh and Armstrong streets. Council plan to make improvements to the functionality of the existing basin and create new wetlands. This will also help to unlock about 70 hectares of residential land for future development immediately upstream of the basin.

Community members are invited to provide feedback on the Elliminyt Wetlands Project and draft concept design via an online feedback form - visit Council's website and search 'Elliminyt Wetlands'.

Hard copies of the form are also available at Council's Customer Service Centres in Colac (2-6 Rae Street) and Apollo Bay (GORVIC - 100 Great Ocean Road).

Council has received grant monies of \$1.2 million from the Federal Government Local Road and Community Infrastructure fund and \$3 million from the Victorian State Government from the Regional Infrastructure Fund to upgrade the existing storm water retarding basin.

Questions and comments are welcome and can be forwarded via email to [inq@colacotway.vic.gov.au](mailto:inq@colacotway.vic.gov.au) or by phoning Council on (03) 5232 9400.

## Anzac Day

**On Tuesday 25 April, we along with Australians around the country will gather to remember the service men and women who answered the call to serve our country in the First World War.**

Anzac Day has grown to become one of the most important national days to recognise the contribution of men and women defending our nation in war, and peace keeping, across the globe. On Anzac Day we do not celebrate or glorify war - we celebrate the Anzac spirit and our goal for a peaceful world.

*Lest we Forget*

## We're recruiting

## Local Law Review - Community engagement

**Local Laws are designed to keep our community safe, protect public assets and enhance amenity within the shire.**

The Local Laws Review project seeks to review Council's existing Local Laws 1, 2 and 3 with a view to integrate the three local laws into a single contemporary Local Law designed to improve and protect the amenity of the shire.

Objectives of the Local Laws Review aim to remove unnecessary or unused provisions and introduce new provisions to address any issues and identified deficiencies in the current Local Laws.

Community members are invited to provide feedback on the Local Law via an online survey - visit Council's website and click Have Your Say from the homepage (click to Local Law Review).

Hard copies of the survey are also available at Council's Customer Service Centres in Colac (2-6 Rae Street) and Apollo Bay (GORVIC - 100 Great Ocean Road).

## Waste Collection Services

**Please note, there is no change to kerbside waste collection services due to the public holiday for Anzac Day on Tuesday 25 April.**

**Not sure which bin goes out this week?**

Download Council's Good Sort App for a handy reminder on bin night with a guide to what bins will be collected along with waste calendar notifications and service changes or delays.

**Not sure what waste goes in which bin?**

The App provides a handy list of waste materials and what's accepted in your household waste and recycling bins.

Download the Good Sort App from your App store (or visit Council's website for links), add your address and receive notifications to remind you what bin goes out when.
